

COVID-19 Update – We are Still Open

Chiropractic services has been classified as essential care. Our chiropractor will continue to provide care for all acute injuries or chronic flare ups.

You do not require a medical referral. For further information, please call 9893 5880 or email amin@bhchiropractic.com.au

You can continue to travel more than 5km for healthcare appointments and caregiving.

We have implemented the following precautions to protect our staff, patients and the broader community during the current COVID-19 situation.

Screening – When you book your next appointment with us, as per Department of Health guidelines, we ask if you have had any cold/flu like symptoms or if you have returned from overseas in the last 3 weeks to refrain from attending and reschedule any existing appointments. We will also ask you relevant questions regarding your condition.

Social Distancing – Appointments have been spaced to ensure adequate social distancing and a reduction of patients waiting in the waiting room.

Appointments – We take your health seriously and are implementing every recommended precaution. Practitioners are regularly washing their hands and using hand sanitiser between every patient. Room cleaning and disinfection of surfaces as well as equipment sanitisation between patients. Hand sanitiser is available for staff and patients. We are conducting deeper cleaning and disinfection of surfaces.

We request Eftpos, Credit Card payments or Hicaps, where possible to avoid cash handling.

Regards,

Dr Amin Nazarian
